To get 1 pound (450 g) of dry saffron (kungumapoo in Tamil) it requires up to 75,000 flowers and 20 hours of labour. That is why it is so expensive.

Mints are not only given at the end of a meal in restaurants to help refresh your breath, but herbs like peppermint help settle nausea and upset stomach.

Acknowledgement

We express our gratitude to the writers and publishers whose contributions have been included in this book. Copyright permission for use of these materials have been applied for, however information on copyright permission for some of the materials could not be found.
