Team Work

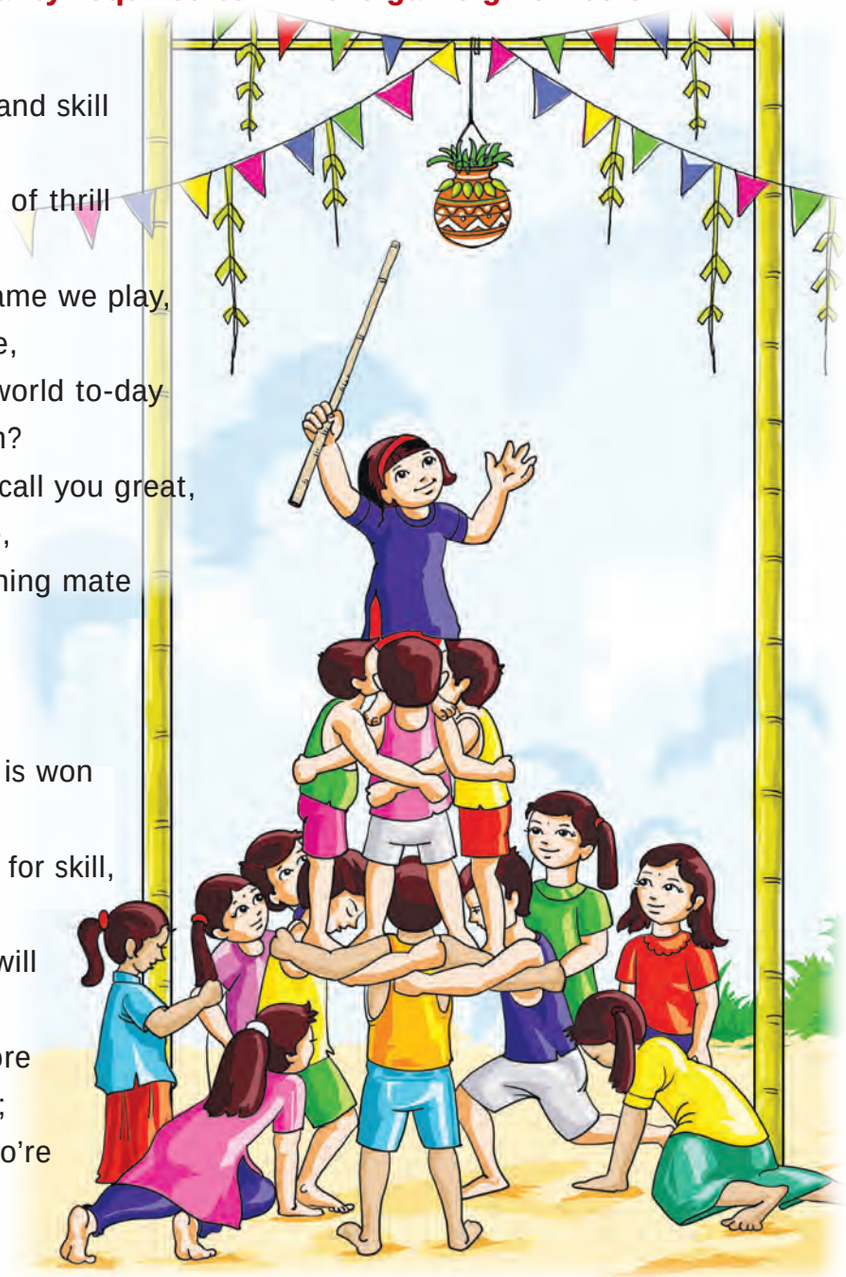

WARM UP

2A7A95

What is the most essential quality required to win the game given below?

It's all very well to have courage and skill
And it's fine to be counted a star,
But the single deed with its touch of thrill
Doesn't tell the man you are;
For there's no lone hand in the game we play,
We must work to a bigger scheme,
And the thing that counts in the world to-day
Is, How do you pull with the team?
They may sound your praise and call you great,
They may single you out for fame,
But you must work with your running mate
Or you'll never win the game;
Oh, never the work of life is done
By the man with a selfish dream,
For the battle is lost or the battle is won
By the spirit of the team.
You may think it fine to be praised for skill,
But a greater thing to do
Is to set your mind and set your will
On the goal that's just in view;
It's helping your fellowman to score
When his chances hopeless seem;
Its forgetting self till the game is o're
And fighting for the team.
