1.1 Introduction

In the first term, we have learnt about the natural numbers and the whole numbers. Now, we are going to learn about special numbers namely Prime and Composite, the rules for test of divisibility of numbers and also about the HCF and the LCM of numbers.

MATHEMATICS ALIVE – NUMBERS IN REAL LIFE

Use of prime numbers as a protecting key for the database of an organisation (large composite numbers are formed as a product of two large prime numbers)

HCF in day-to-day life
