## ACTIVITY - 4

**Design a physical activity fact sheet which includes the following:**

a) Definition of physical activity

b) Any 5 benefits of physical activity

c) 3 types of aerobic physical activity which you can do at school to be more physically active

d) 3 types of physical activity which can be done outside school to become more physically active

## Summary

- Carbohydrates are so called because they contain carbon with hydrogen and oxygen in the same proportion as in water (2:1). The general formula is $C_nH_{2n}O_n$.
- Carbohydrates are classified according to the number of saccharide (sugar) groups present. They are broadly classified as simple carbohydrates(sugars) and complex carbohydrates(sugars).
