PREPARATION OF VEGETABLE SALAD

EX.NO. **8**

Aim:

To prepare a vegetable based recepe

Role of vegetables in cookery

Vegetables are used universally in all recipes

- used in curries, salads and in sambar
- used as garnishing agents e.g., shredded carrot and coriander leaves
- used in chutneys (onion) and pickles (tomato, onion)
- used as part of recipes like pulao, avial and non-vegetarian dishes

Ingredients

Onion	- 1
Carrot	- 1
Baby corn	- 1
Cucumber	- 1
Cabbage	- few
Lemon	- 1 small
Pepper	- little
Coriander leaves	- to garnish

Method

- Cut or chop all vegetables finely
- Mix all the vegetables in a bowl
- Add little lemon juice and pepper

Conclusion

Vegetables Salad is rich in Vitamin C, A, Minerals and Fibre. It is a good diet for obese patients.
