# SPICES, FOOD ADDITIVES AND FOOD ADULTERATION

Spices and aromatics are the very heart of Indian cooking. It has been used since ancient times and mentioned in Vedas, Egyptian Papyruses and the Old Testament. Food additives are substances added to food to preserve flavour or enhance its taste. It's been used for centuries. Due to increase in population and more demand for food the food adulteration is caused in today's world. An idea about spices, food additives and food adulteration helps us proper selection and usage.

**In this lesson, the students will be able to:**

- know the role of spices in Indian cookery.
- know the nutritive value, medicinal use and functional use of various spices in cookery.

Spices, food additives and food adulteration
