Try these

1. Draw the following figures in a paper. Cut out each of them and fold so that the two parts of each figure exactly coincide.

i) Which of the above figures have one, two or more lines of symmetry?

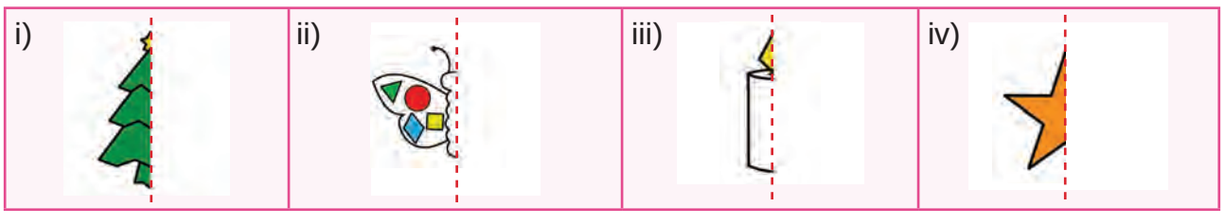

ii) Which of the above figures do not have any line of symmetry?

2. Write the numbers from 0 to 9.

i) Which numbers have a line of symmetry?

ii) List out the numbers which do not have a line of symmetry.

Example 4 Complete the other half of the following figures such that the dotted line is a line of symmetry.

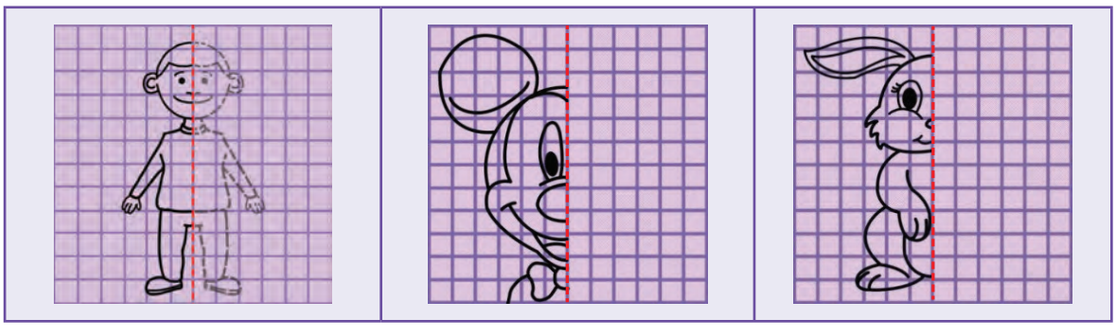

Solution

Activity

Complete the other half of the following figures such that the dotted line is the line of symmetry.
