## Exercises

### A) Match the following.

| A | B |
|---|---|
| Natural resource | Minerals |
| International resource | Sustainable development |
| Reduce, Reuse, Recycle | Air |
| Non-renewable | Manufacturing |
| Universal resource | Ambergris |
| Secondary activities | Forest |

### B) Fill in the blanks.

1. Sugarcane is processed to make _____.
2. Conservation of resources is _____ use of resources.
3. Resources which are confined to certain regions are called _____.
4. _____ resources are being used in the present.
5. _____ resources are the most valuable resources.
6. Collection of resources directly from nature is called _____.
