The Lesson speaks about the formation of the constitution of India. It gives guidelines to govern the country, while ensuring the fundamental rights and duties of the citizens and how it protects them.

Yazhinian and Sudaroli are brothers. Yazh is student of standard six and Sudar is in standard four. Yazh was preparing for his class test. Sudar after completing his home assignments was watching an animated series on television. Sudar was watching it but the noise level disturbed Yazh. Sudar was totally engrossed in the series and laughed and clapped loudly. Yazh could not concentrate on his lessons.

So he asked Sudar to reduce the volume. But Sudar was not ready to adhere to his elder brother's advice. Inspite of Yazh's continuous request Sudar did not reduce the volume.

Yazh complained to his father that Sudar did not decrease the volume of the television in spite of requesting him several times. Yazh made it clear that he had a class test the following day.

"Isn't your brother preparing for his class test? Weren't you wrong in troubling him?" continued his father.
