TERTIARY ACTIVITIES

"I already told you that industries produce goods and distribute them to the people. For this purpose, some services are required. These services are called **tertiary activities or service sectors.** The service sector serves the people to fulfill their daily needs like:

- Transport – roadways, railways, waterways, airways
- Communication – Post, Telephone, Information Technology etc
- Trade – Procurement of goods, selling
- Banking – Money transactions, banking services

"Never, we won't say such a thing. If anyone talks like that, we will explain whatever we have learnt from you" replied the children.

" Come lets go and have our lunch". Said Mohan.

Children said that they will come after playing for some more time.

Holding Kavin's hand, they all ran towards the park.

Mohan, an economics teacher, felt proud of their unity and satisfied of clarifying something good to the children.
