Model Tabular Column

Sl.No.	Colour coding	Value (using colour coding)	Selector switch position	Meter Reading	Result
Model 1	Brown Black Brown	100 Ω	X 1	98 Ω	Good
Model 2	Yellow Violet Gold	4.7 Ω	From X 1 to X 10 K Ω	∞ Ω	Open

Activity: Calculate the values of any five resistors

colour prescribed value

I ring _____ _____

II ring _____ _____

III ring _____ _____

Calculation

Total resistance _____

Result:

The comparison of the resistor values using colour coding and Multimeter testing is studied.
