A health tip to keep you fit

10.7 Administration and Organization

- The Government of India established a Central Health Education Bureau at Delhi in 1956 to promote and co-ordinate health education work in the country. Many State Governments in India now have health Education Bureau in their Health Directorates. There are also other special agencies in the country such as the Directorate of Advertising and Visual Publicity (DAVP), Government has a responsibility for the health education of the general public. Press Information Bureau, and the All India Radio (AIR), and TV which are active in health education work. At the International Level, there is the International Union for the Health Education, with headquarters in Paris, whose main task is to promote the creation of national committees and societies for health education.

SUMMARY

Health influences ones way of life, personal efficiency and helps the individual to attain the personal goals. Health education is a process aimed at encouraging people to want to be healthy, to know how to stay healthy and to maintain health.

The aim of health education is to help people to develop an awareness of health needs and problems.

In selecting audio visual aids for health education, the facts should be scientifically accurate, pertinent information and cover entire requirements and should be essential, important and clear to understand.

EVALUATION

FMR4M6
