occurrences, such as sprains and bruises, minor burns, skin irritations and reactions (including poison ivy, diaper rash and insect bites), teething pain, etc.

- **Acute Homeopathy**

  Acute health problems are those in which the symptoms will eventually go away on their own. They are temporary conditions, such as colds, flu, coughs, sprains, etc. A homeopathic remedy can be useful and attractive because it is safe, gentle and has no harmful side effects. Homeopathy can also be used to assist sensitive conditions such as pregnancy.

- Constitutional Homeopathy

  Constitutional homeopathy refers to the treatment of a person as a whole, including past and present symptoms. When accurately implemented, homeopathic constitutional care can elicit a profound healing response. Homeopathy can be extremely effective in treating chronic and long-term health problems. Recurrent ear infections can be treated with a homeopathic remedy for a longer period of time to strengthen the body's immune system and to prevent future occurrences.
