2.2.2 At the State Level

The health subjects are divided into three groups: federal, concurrent and state. The state list is the responsibility of the state, including provision of medical care, preventive health services and pilgrimage within the state.

DM & RHS - Directorate of Medical and Health Services
DME - Directorate of Medical Education
DPH & PM - Directorate of Public Health and Preventive Medicine
DDC – Directorate of Drugs control

State Health Administration

At present there are 29 states in India, each state having its own health administration. In all the states, the management sector comprises the state ministry of health and a directorate of health

1. Department of Health & Family Welfare

State Department of Health and Family Welfare headed by the state minister of Health and Family Welfare.

1. State health Directorate

   There are three separate major departments in Health and Family Welfare.

   - The Directorate of medical and Rural Health Services, Directorate of Medical Education and Directorate of Public Health and preventive Medicine are the chief Technical directorates to the statte government on all matters related to public health.
   - There are other directorates such as Directorate of Health and Family Welfare, Directorate of Drugs control, Directorate of health Transport, Tamilnadu AIDS control society, State health mission etc.

2.2.3 At the District Level

There are 614 (year 2007) districts in India. Within each district, there are 6 types of administrative areas.

1. Sub-division
2. Thasils (Taluks)
3. Community Development Blocks
4. Municipalities and Corporations
