4.1 Introduction

கேட்டார்ப் பிணிக்குத் தகையவாய்க் கேளாரும்
வேட்ப மொழிவதாஞ் சொல்

– திருக்குறள்

'Tis speech that spell-bound holds the listening ear,
While those who have not heard desire to hear

Communication is the art of transmitting information, ideas and attitudes from one person to another. Communication is the process of meaningful interaction among human beings. The word communication originates from 'communis', a Greek word, meaning 'to make common'

Communication is a lifelong learning process. It is a basic element of human interactions and one of the most vital components of all nursing practice. To communicate effectively with patients, family and members of health care
