

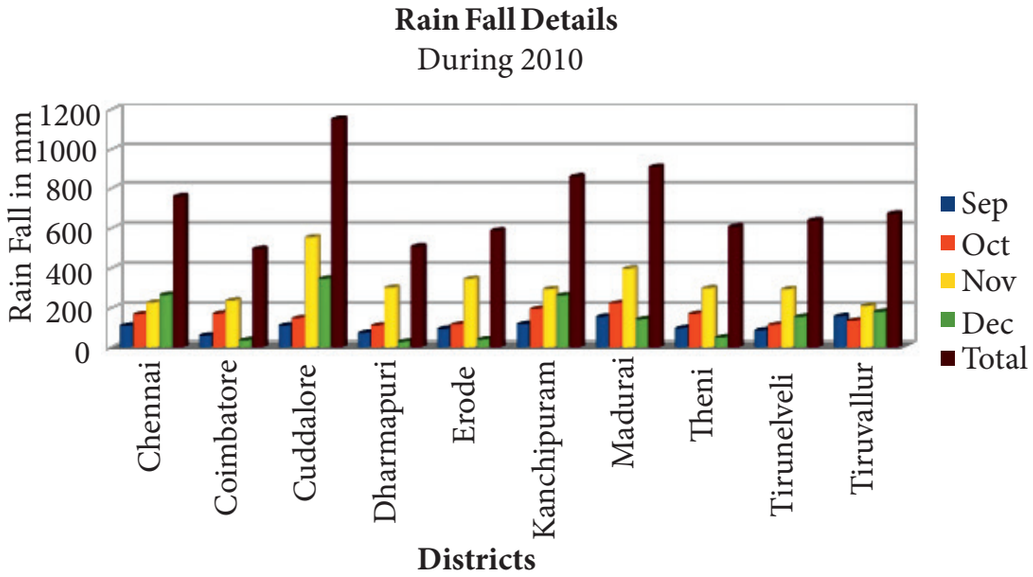

Figure 7.62 Completed Chart

Select "Label" tab.

- In Text Orientation spinbox, type as 90 degree or click and drag the Text direction animated handle.
- Click "OK" button.
- Now, the chart will be as in Figure 7.62

Self Practice:

1. Open the spreadsheet which was created in Illustration 1.
2. Create a column chart with 3D "cone" shape showing the total marks of all students.
