- When you advance past the last slide, the message "**Click to exit presentation...**" appears. Click the mouse or press any key to exit the presentation.
- To exit the slide show at any time, including at the end, press the Esc key.

8.10. Saving a Presentation

In order to save a presentation

Click File → Save (Figure 8.35)

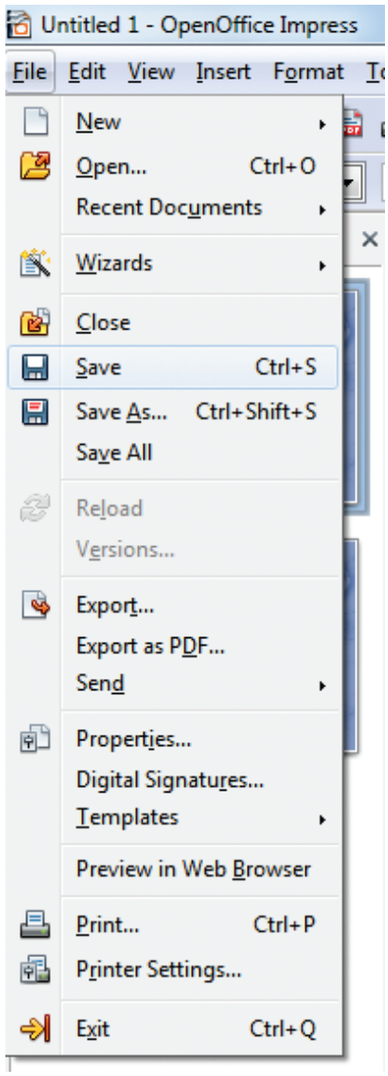

Figure 8.35 Saving a presentation using File menu

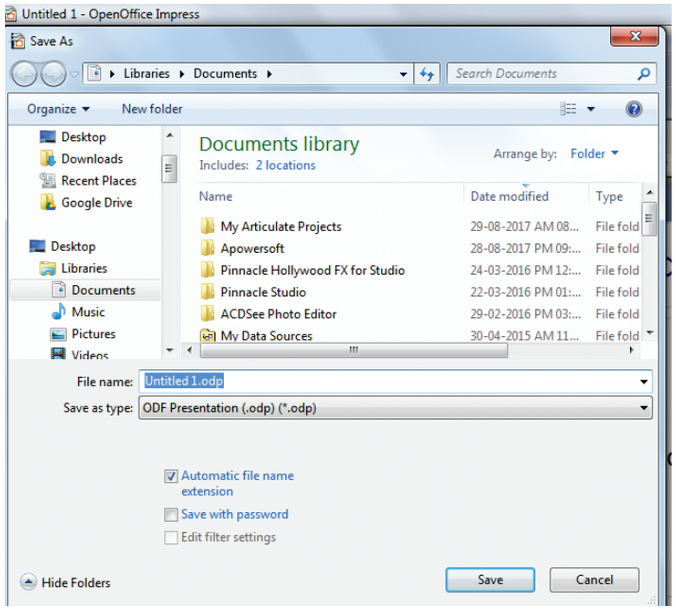

Figure 8.36 Save dialog box.

- After giving save option, Impress will open a dialog box asking the name in which this file should be saved (Figure 8.36)
- The default file extension for Impress is .odp.

Tip Notes

You can also use Save As option from the File menu. The difference between Save and Save As is Save option will save the presentation in the folder specified by you. Save As will save another copy of the same file either in the same folder or in a different folder specified by you.

- Type the name of the file you want to give in the text box space after **File Name** in the dialog box. (Figure 8.36).
- You can save the presentation as a PPT presentation also. (Figure 8.37)
