6.9 Page formatting

The most important thing in a word processor is how to format the page elements such as margins, numbering, page layout, headers and footers. Formatting your page makes it look more attractive and make it easier to read.

6.9.1 Setting the page size and margins

Changing page size

The default page size in Writer is 8.5 x 11", the same as that of a standard A4 printing paper. However, for different types of documents, you may need to change the page size. To change the paper size:

- Select the page to be resizized
- Select ***Format → Page***, the page style dialog box appears as shown in Figure 6.26.
- Select ***Page*** Tab
- In the ***paper format group,*** select the format like A4, legal etc.
- Or the ***width*** and ***height*** option can be used to set the page size.

Changing page margins

Page margins are the white space
