schedule of the Constitution. A joint hydropower project is being built on the Sharda River. This power plant helps both India and Nepal with respect to electricity production and irrigation facilities. From the environmental perspective, there are a number of tiger reserves along Indo-Nepal border. The governments of India and Nepal have signed three sister-city agreements for twinning of Kathmandu-Varanasi, Lumbini-Bodhgaya and Janakpur-Ayodhya.

India and Pakistan

Since the bifurcation of territory, which demarcated India and Pakistan in 1947, the two nations have had strained relations due to disagreements over a number of key issues. Terrorism remains our core concern in the relationship with Pakistan. Pakistan has been antagonistic when maintaining relations with India. But India has made extreme efforts to improve and stabilise relations with Pakistan. The cross-border firing between India and Pakistan and the terrorist attacks combined have taken its toll on the Kashmiris, who have suffered poor living standards and an erosion of human rights. Kashmir is the bone of contention between India and Pakistan, which has brought the two countries into an open clash many times. Cross-border terrorism is a major irritant. India tried to bring a positive change in the relationship of the two countries through bilateral agreements such as Shimla Agreement and Lahore Declaration.

LoC (Line of Control) The Ceasefire line determined in 1949 was called the LoC after 1972. This is the boundary that came to be agreed between India and Pakistan under the Shimla Agreement of 1972. It was called Radcliffe Line at the time of partition in1947, (Radcliffe was the chairman of the border commission.) This is now called LoC.

India and Sri Lanka

India has cultural, historical and religious ties with Sri Lanka. Separated by the narrow expanse of the Palk Strait, India and Sri Lanka have shared excellent trade relations committing to each other in both bilateral free trade agreements as well as developing interactions through SAARC. The relationship between India and Sri Lanka can generally be termed as friendly, except for the brief spell in which the Tamil ethnic problem cast its shadow on the relations between the two countries. India and Sri Lanka has conventionally close to each other. India is among the top investors in Sri Lanka and its investments are in diverse areas including petroleum retail, IT, real estate, telecommunication and tourism. On the other hand, the Sri Lankan investments in India include Brandix (garment city in Vishakhapatnam), MAS Holdings, John Keels, Hayleys, apart from the other investments in the freight servicing and logistic sector. India offers scholarship slots annually to deserving Sri Lankan students. Sri Lanka is also a partner in Nalanda University Project of India.

Ashoka had sent his son Mahinda and daughter Sangamitra to Ceylon (Sri Lanka) for the propagation of Buddhism. Chola kings Rajaraja I and Rajendra I conquered the northern part of Ceylon.

5.2 India's Relationships with Developed Countries

A developed country is a sovereign state that has a highly developed economy and advanced technological infrastructure relative to other less industrialised nations.
