should be the citizen of India and should have completed 35 years of age and should have sound mind. And should not hold any public office of profit.

To become a Chief Minister, you should have completed 25 years of age and should be an MLA or in case of an MLC should have completed 30 years of age.

Arya: Who is an MLC? I never heard.

Teacher: Usually a state Legislature has two houses. Upper House and Lower House. This is called Bi-cameral Legislature. Upper House is called Legislative Council. The members are called MLCs and they are not elected directly by the people. The Lower House is called Legislative Assembly. The members are called MLAs. As I said earlier they are directly elected by the people.

In India some of the states have two houses in their state legislature. But in Tamil Nadu we have Lower House only. This is called unicameral Legislature.

Ammar: Oh! Now can you please tell me the powers and functions of Governor and Chief Minister?

Teacher: Sure. The Governor is an integral part of the State Legislature. Governor is the head of the state executive and he has enormous powers. All the administration is carried on in his name. He is the chancellor of Government universities in the state. All bills become law only after his assent. He appoints important officials of the state government such as advocate General, Chairman and members of State Public Service Commission, State Election Commissioner, Vice chancellors of state universities etc.

The Chief Minister is the real executive head of the state administration. He allocates the portfolios among the ministers. The Council of Ministers are collectively responsible to the State Legislature. All the ministers work as a team under the Chief Minister. The Chief Minister formulates programmes and policies for the welfare of the people of the state. The council of Ministers is collectively responsible to the Legislative Assembly of the state.

The three main organs of government are the legislative, executive and judiciary. The legislative branch makes laws, the executive branch enforces the laws, and the judiciary interprets the laws.

Nandhu: Judiciary. Are you saying about the courts teacher?

Teacher: Yes. The High courts are the highest judicial organ at the State level. It is an independent
