(e) Centre for Formulation and communication of plan and policies: A business is established with the objective of attaining a certain result. To achieve this result top level manager formulate plans and policies from office. These plan and policies are communicated to related person through the office. Therefore, the office is a centre for the formulation and communication of plans and policies.

(f) Managerial Control: The process of developing performance standard and comparing with actual performance in order to take corrective action for deviations if any is called controlling. The office helps in controlling the activities of different people and department of an organisation. Through controlling it is ensured that the various activities of business are performed with much accuracy.

(g) Memory Center: Office protects important information of past in a safe manner. The departments and people generally collect needed data from the office as and when they are required. It provides information storage facilities in the form of files and devices on the basis of their importance for future reference. Therefore, the office is considered as memory center.

(h) Service Center: The office works as a service centre for different units and departments of an organisation. It provides clerical services like mailing, filing, typing, printing, supplying resource etc., to all people working in different departments of an organisation.
