maximize comfort to the employee. The number and the type of furniture to be purchased for any office will depend on the number of departments and office workers, the nature and volume of work to be performed and the office space available for their accommodation

2.4.2. Fittings and Accessories:

Generally office fittings include desk lamp, telephone stand, waste paper basket, etc. When choosing or selecting such items, their colour may be considered, because the colour of these must not ruin the pleasing atmosphere of the office. Clerks should be provided with certain accessories in order to perform their work efficiently. Such items may be pen holders, sorting trays, boxes, cabinets, etc.

2.4.3. Types of Furniture Used in Office:

Every office requires different types of furniture. Furniture can be classified on the basis of its physical appearance and the purpose for which it is used. E.g. Executive furniture, Special purpose furniture,Built-in furniture and General clerical furniture.

1. **Desk:** The performance of an office employee is very much influenced by the type of desk he uses. The primary function of any desk is to provide a suitable surface for writing, checking, sorting and examining. There are different types of desks for different persons depending upon the nature of work and status. (i). Executive desk (ii). General purpose desk and (iii) Computer desk.

i. **Executive Desk:** These are designed to suit individual tastes and quite often they are designed as a show piece of an organisation. Their purpose is also to impress visitors. Sharp edges and corners are eliminated. Table top is covered with a sheet of glass.

ii. **General Purpose Desk:** It is a general purpose single pedestal desk with less elaborate design.

iii. **Computer Desk:** Computer desks are generally standard flat-topped, single or double pedestal desk with provision for placing keyboard.

2. **Tables:** Tables are generally needed for sorting of mail despatch, for holding meeting of committees, etc. However, in some office table fitted with drawers and other devices are still used by clerks for writing purpose.

3. **Chairs:** There is a need for providing the right type of chairs to the office employees as they spend most part of the day in the office. Chairs meant for computer operators should have adjustable back rest to enable the user to perform their work efficiently.
