- Anger, verbal abuse, failure and criticism

GB9QHM

Build Your Personality
Be Confident ...Be Strong....
Belief In Your Self
YOU CAN DO IT.....

9.1 INTRODUCTION

Personality refers to the totality of what a person is, which includes all traits **(Physical, Psychological as well as a variety of acquired habitual traits)** blended or organized in a characteristically unique manner that determines the mode of behavior and adjustments to the environment.

The term Personality has been derived from Latin word 'Persona' which means facial mask worn by roman actors on stage.
