Method:

1. Wash and soak Bengal gram dhal in water for 1½hrs. Drain the water completely after the soaking time.
2. Powder red chilli, jeera and saunf coarsely. Set this aside.
3. Add dhal in the blender, ground to get a coarse mixture.
4. To a bowl, add ground dal mixture, chopped onion, mint and curry leaves chopped green chilli, coarsely powdered masala.
5. Mix together all the ingredients to get a well binding mixture. Add salt.
6. Take a small portion of the dough and shape to a vada.
7. Heat oil, add the shapened vada mixture, fry till golden brown. Tilt now and then for uniform looking.
8. Serve hot.
