# ICT Corner

## Water

**Through this activity you will be able to know what happens to water when it is taken out of nature, into our house and once it leaves our houses.**

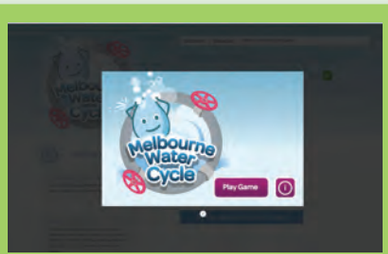

**Step 1:** Type the URL or scan the QR code to launch the activity.

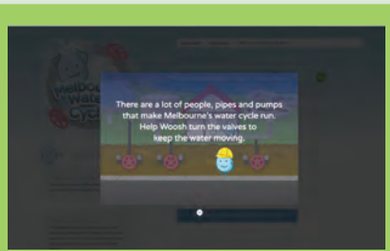

Step 2 : A page of 3 games will open, click on the first game 'Melbourne water cycle', and click the "Play the Melbourne water game" button to start the game.

Step 3: Play the game by following the instructions and using the navigation keys. Observe the steps of water usage and the process of recycling the used water.

Step 4: Play the other two games to know about the Natural water cycle and Sources of water.

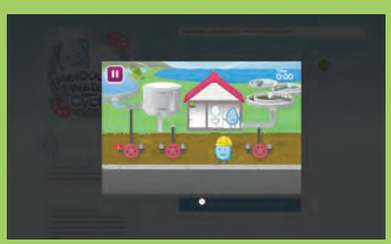

**Step 1**

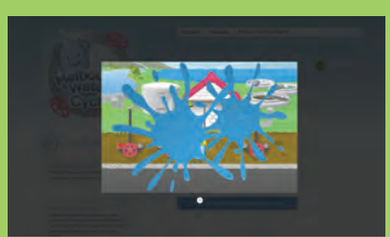

**Step 2**

**Step 3**

**Step 4**

**Simple Circuit's URL:**
