6.5.1 Opening balance

Opening balance of the current year refers to the closing balance of last year. It should be compared with the balance shown in the duly audited balance sheet of the previous year. This is done to ensure that actual balance has been brought down.

Documents to be Vouched: Audited Balance Sheet of last year.

Example:
An auditor should vouch Opening Cash balance in the following manner:
1. Balance Sheet of last or previous year, and
2. Cash account for the current year.

Balance Sheet as on 31.3.2016
