Let's explore the skeletal system page to understand the **skeletal organization.**

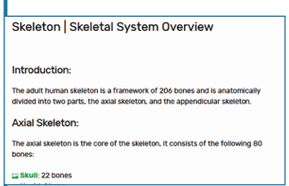

Step – 1 Use the URL to reach the 'Skeletal System' page. From grid select 'Skeleton Organization' and explore the skeleton's general anatomical arrangement and functions.

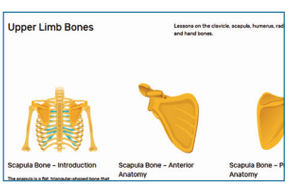

Step – 2 Then reach the 'Skeleton Organization page by clicking back button on the top of the window or use the 'Backspace' key. Select 'Upper Limb Bones' from the grid and explore the anatomy and functions of the clavicle, scapula, humerus, radius, ulna, carpal, and hand bones.

Step – 3 Follow the above steps and explore the interactives of each part and its functions.

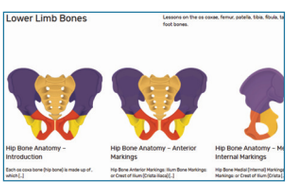

Step – 4 Use the reference given below the page to acquire additional details about 'Skeletal System'.
