HOW TO USE THE BOOK

Learning Objectives — Learning objectives are brief statements that describe what students will be expected to learn by the end of school year, course, unit, lesson or class period

Chapter Outline — Illustrate the complete overview of chapter

Amazing facts, Rhetorical questions to lead students to Engineering inquiry

Activity — Directions are provided to students to conduct activities in order to explore, enrich the concept

Infographics — Visual representation of the lesson to enrich learning

Evaluation — Assess students to pause, think and check their understanding

To motivate the students to further explore the content digitally and take them in to virtual world

Career corner — List of professions related to the subject

References — List of related books for further details of the topic

Web links — List of digital resources

Glossary — Explanation of Engineering terms

Competitive Exam questions — Model questions to face various competitive exams
