Deep inside the mountain

the adventures hide themselves.

They are of all forms and shapes.

They all have an excellent ending,

because those that live their lives in adventure

see the world in an extraordinary special way.

To attract the adventures into the patterns of habit

you only need to close your eyes

and ask them to embrace you.

You can also imagine that you are transparent

and feel the wind stream through you

instead of going against you.

Or imagine there are tiny little wings on your back

and every time you take a new step you bounce a bit.
