CREATIVE WRITING

Concrete Poems

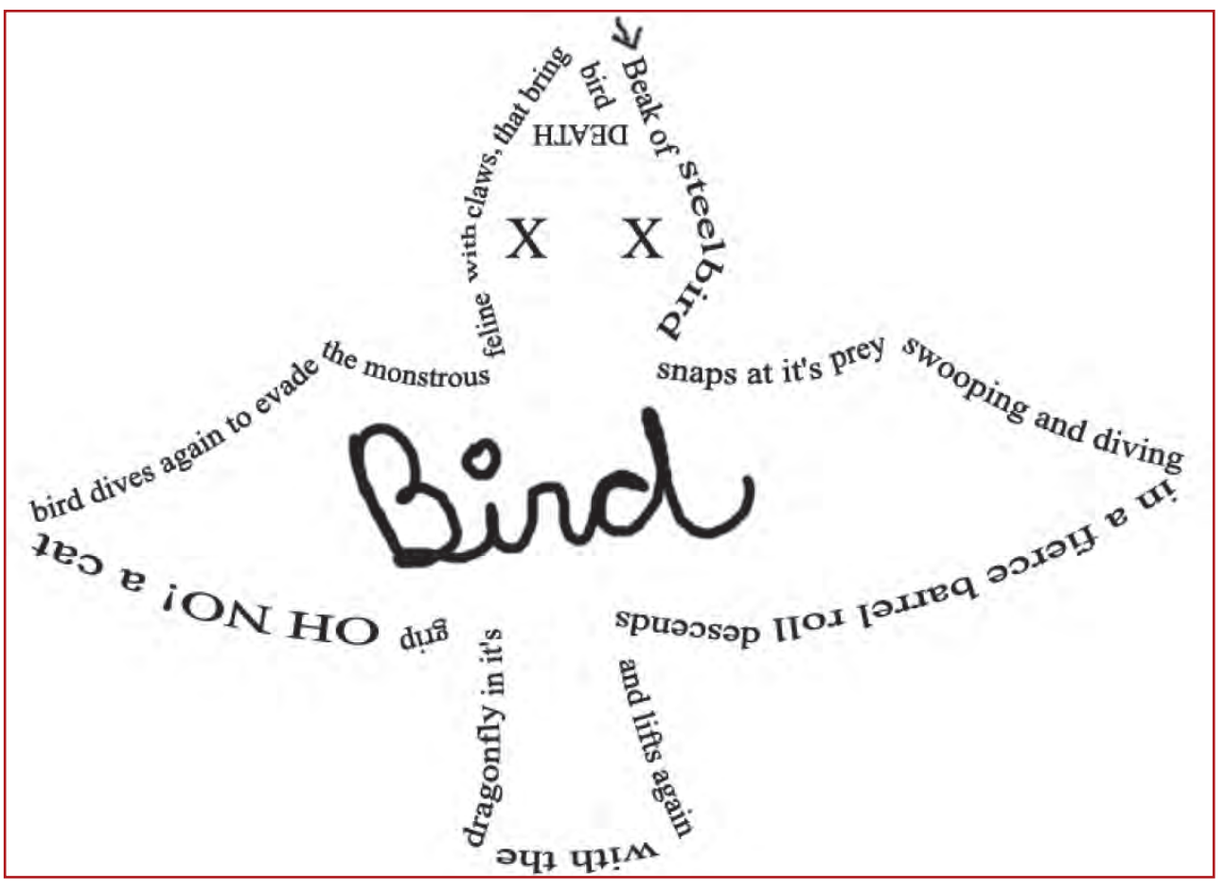

Concrete poems are made up of words that have been placed in such a way that they make the shape of an object and also use words to describe the object.

Start by making a simple outline of the shape or object (an animal, a football, a fruit etc.) large enough to fill a piece of paper.

Then brainstorm a minimum of ten words and phrases that describe the shape. List action and feeling words as well.

Next, place a piece of paper over the shape and decide where your words are going to be placed so that they outline your shape but also fit well together.

Separate words and phrases with commas.

E. Now read the poem and pick out the nouns. Then write your own concrete poem.
