There is a very famous quote by Hellen Keller, "Life is either a daring adventure or nothing." Adventure trips are all about making memories, gaining more knowledge, learning new things about the surroundings and about one's own self and making lots of great stories. Going for an adventure camp is the best way to get all of these as it forces one to get out of their ordinary lives and try new things.

Adventure camp basically means spending the nights in tents and doing various activities at the camp-site. There are many activities included in camping to make it more exciting and interesting. Some of these are mentioned below:

Water Activities: If your camp site is near a water body then one can do aqua zorbing, water skiing, fishing, swimming, playing water volleyball and other such fun games.

Bonfire: This can be done during winter camping. Campers are made to sit surrounding the bonfire and talk about their stories or perform some acts, such as playing some instrument or singing songs.

Rock Climbing: This activity is meant to provide both physical and mental challenges to the climbers and help them in learning new skills.

Mountain biking: Just a few scratches and the trip can be memorable with new experience of driving bicycles on forest roads.

Madhubani painting or Mithila paintings from the Mithila region of Bihar were originally done on walls during festivals and other such occasions. The artists like Jagdamba Devi and late Mahasundari Devi are responsible in getting it international recognition. Madhubani paintings find a pride of place in our homes today. One can see the tourists flocking to the Madhubani stalls in craft bazaars like the Dilli Haat. It needed educated and ethnically aware people to bring this aspect of our culture on the international scene and make the younger generations take pride in them so that they voluntarily made a studied choice of them as career options.
