LET US KNOW

Finland, in Europe, is called the **'Land of Lakes'** because melting ice sheets have created a lot of lakes here.

Vatican City (Italy)

London (England)

LET US KNOW

Russia, the country stretches over a vast expanse of Eastern Europe and Northern Asia.

Ukraine's Steppe region is called the **Bread Basket of Europe** because it produces a large amount of wheat.

Think

Which state is called the **Bread Basket of India?**
