Preface

Food today is more than the basic need and Food service Management is the need of the hour. This book for Class XI vocational students attempts to introduce **Food Service Management at the Higher Secondary Level**. The book is an eye opener to students who have interests and acumen to create new food and also manage food service operations. The units in the book focuses on food service operations, basics of food, equipment used, production techniques, cuisines, bakery, food preservation, food hygiene and sanitation and attitudes and personalities, essential for a person working in the food industry.The vision of this book is to bring awareness regarding the hospitality industry which is growing bigger everyday and which has definite future prospects.

The format and language are simple and explains seemingly difficult concepts clearly with the help of figures, tables and illustrations. The activities assigned will provoke the students to clarify the principles and prepare themselves for self-employment.The special features of the book is that it extends the learning journey from the book to internet and provides a wholesome learning experience,which in turn will facilitate peer learning, build self-confidence, team spirit and leadership qualities among the students.

Besides photographs addition of information in boxes called "**Do you know**?"and "**ICT corner**"make the book more interesting. The provision of "**QR code**"and "**Linkages**" will help the students to have digital access for learning. The book promotes skill by **Doing** rather than **Memorizing**.

The additional reading materials and videos will help students to probe and collect information on their own. Enhancement of learning food service management principles and skills will enable the students to meet the demands in this profession. For all young aspirants who wish to set up their own food units or associated outlets, this book will be of great help and a valuable guide providing a profitable self-employment opportunity.
