## Figure of speech

**a. Personification**

Personification is a figure of speech in which a thing, an idea or an animal is given a human attribute. Human qualities are given to non-human things or ideas, for a better understanding the writer's message. The use of personification also helps to show a character's attitude towards inanimate objects. This adds interest and fun to poems and stories. The literal meaning of the words should not be taken into consideration.

**Examples:**

- The Sun smiled down upon them.
- Justice is blind.
- The wind howled in the night.
- The moon played hide and seek with the clouds.
- The city never sleeps at night.
- The boat danced in the puddle.
- The flowers nodded their heads
- The thunder grumbled.
- The lightning danced all over the sky.
- The iron hands of Death.
- The popcorn left out of the bowl.
