Jack : (running home) Mom, Mom, Mom! Look what I have got!

Mother : Did you get a good price for the cow?

Jack : No, Mom. But I got these magic beans instead!

Mother : (angry) What? Oh, you foolish boy!

Jack : Mom, they will make us rich! Trust me.

Mother : No way! These beans are useless!

Narrator : Jack's mother was very cross and threw the beans out of the window.

Scene 2 (on the ground & in the castle)

Narrator : During the night, the magic beans grew into a huge beanstalk. By morning, the beanstalk reached high into the sky. Jack was so surprised.

Jack : Wow! This beanstalk is huge!

Narrator : Jack climbed and climbed and when he reached the top, he found a huge castle.

Jack : Oh my! There is a castle in the sky! I can't believe this.

Narrator : Jack crept inside.

Jack : (whispering to himself) Everything is so big in here. Who lives in this big castle?

Narrator : Suddenly, the floor began to shake.

Jack : (scared) What is that noise?
