Jack : I have to chop this beanstalk down right now!

Narrator : With his axe, Jack chopped down the beanstalk.

Giant : Ahhhhh!

Narrator : The giant fell to the ground with a thud. That was the end of him!

Mother : Oh my! It's a giant! Jack, what is going on?

Jack : The magic beans grew into this huge beanstalk. So, I climbed to the top and found the giant's castle. I watched this hen lay a perfect golden egg.

Mother : Are you telling me the truth, Jack?

Jack : (smiling) Yes, Mom. You'll see.

Narrator : Jack was right. The hen laid a golden egg every day and Jack and his mother were never poor again.
