Section -I

Reading

Listen to the teacher and read this section.

Once there was a boy named Mani. He was studying at the school in his village. He found it difficult to read and write. His grandfather noticed it and helped him by reading bedtime stories. Gradually, he started reading on his own. Now, he not only enjoyed reading but also has started writing his own stories. Let us read an essay written by Mani.

Hobbies are the activities that we do in our **spare** time. Hobbies are **unique** to people. Some like gardening, a few like photography, many have book reading as their hobby. While other hobbies are swimming, collecting stamps, playing video games, and many more.

People have hobbies not only to pass their free time but also to do something useful. Hobbies help people learn new things, relax after a day of tiring work and to **energise** their body and mind. Same is the case with me. I love writing, so it is my hobby.

"Whatever you like to do, make it a hobby."
-Warren Buffet

Writing is a unique hobby because most people don't want to **exhaust** themselves in their spare time. Many feel that writing is tough, but I do not think so. I feel writing is like painting our voice. When I get free time, I pick a pen and a notebook and start painting my ideas in words. I write stories, poems and sometimes, about my feelings. My mind relaxes when I pour my thoughts as words. So, writing energises me.

When I write things, my imagination is at its best. I imagine a world with magic and magicians, where I can fly, and birds can talk. Writing helps me completely immerse myself into that world! Sometimes, I sit with small children and entertain them with these stories of mine. The happiness of their faces makes me to write more and better.

Although writing is just a hobby for me, yet it is very beneficial. It opens my mind to think beyond the little things with a broader mind. It makes me more **passionate** about my life. It makes me learn new things and enjoy every moment of my life.

"Writing is easy. All you have to do is cross out the wrong words."
-Mark Twain
