My hobby helped me in school too. When I started writing things, I was unable to describe them **accurately**. With time, my experiences helped me think of new ideas and this made me a good writer.

Now, I look out for things, which I was not able to see before. Hence, I can describe things better in my stories. I feel no problem with writing English essays or stories as it is my hobby. To become a better writer, I spend time on learning how to write in different forms like **fiction** and non-fiction. It is important to always learn and improve our hobbies. Who knows? One day I could be a writer like *R.K. Narayan!*

The former Chief Minister of Tamil Nadu, **Mr C.N. Annadurai**, had the hobbies of reading and writing. He wrote many books, stories, plays, thought-provoking articles and cine dialogues which have contributed to reformation of society as we know it today!
