ICT Corner

Digestive System

Through this activity you will explore the process of digestion.

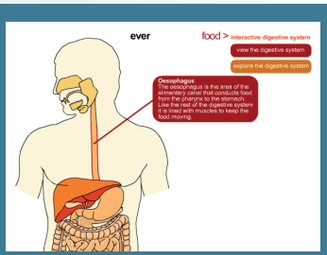

Step1: Use the URL to open the 'Interactive Digestive System' page. Click the 'View Digestive System' to view the digestive system.

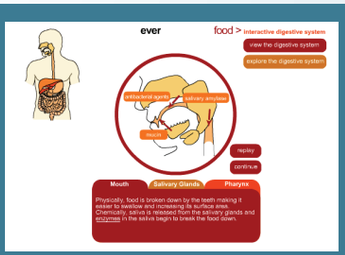

Step 2: Roll the mouse over the interactive diagram and place the cursor on any of the parts. A brief description of the parts will appear.

Step 3: Click the 'Explore the digestive system' to observe the process of digestion right from the mouth to the anus.

Step 4: During the exploration, questions will be asked and only correct answers will lead you to progress to the next process. Answer all the questions and finish the process of digestion.
