Human Activities

Human activity is an activity performed by a human being to meet his/her needs and wants or may be for personal satisfaction. Human activities can be categorised into economic and non-economic activities. The chart below gives a snapshot of human activities.

I. Economic Activities

Activities undertaken with the object of earning money are called economic activities.

Examples:

i. Production of goods by manufacturers
ii. Distribution of goods by wholesalers
iii. Selling by retailers
iv. Medical advice rendered by physicians
v. Accounting practice by chartered accountants

II. Non-Economic Activities

Activities undertaken to satisfy social and psychological needs are called non-economic activities.

Examples:

i. Cooking food for family
ii. Celebrating festivals
