ownership. Various types of branded goods of daily requirement and luxurious products are available.Modern facilities such as refreshment hall, entertainments for children, wi-fi, auditorium, etc. are provided in shopping mall.

For example, *FORUM in Chennai*.

### 9. Tele-Marketing

Telemarketing can be divided into two parts.

#### i. Telephonic Marketing

Potential Customers are contacted through telephone or mobile to provide information about the products. Willing customers visit the office and place the orders. This method is useful for loan, financing, insurance services, credit card, etc. No middlemen in this marketing and cost reduced accordingly.

#### ii. Television Marketing

In this method, customers are attracted by providing full information of product or service through TV demonstrations. Customers are given either phone number or name of the website to place the order. Payments for these products are made through two methods.

i. Advance payment by debit/credit card. ii. Payment in cash at the time of delivery.

   For example- *Tablemate* and other home appliances

### 10. Online Shopping or Internet Marketing

The manufacturers or the intermediaries place the advertisement of their products on different media of internet like e-mail, portal and browser. Sometimes, they have their own website like Flipkart, Amazon, Snapdeal. etc. The customers compare

the products of competitors by observing such advertisements and select the product through internet and make the payment through online or cash on delivery.

Because of the absence of middlemen, showroom expenses, etc. products are available at cheaper price in comparison to local market. Customers also get after sales services.

**For Future Learning**

There are about two lakh retailers in Tamil Nadu. About one lakh in Chennai city.

There was an abortive move in 2012 to invite FDI in retail sector by the central government.

What is your opinion?
