4. Obtaining Importer Exporter Code (IEC) and RBI code Number

Exporter has to apply in Ayaab Niryatt Form 2A(ANF2A) to the Regional Authority of the Director General of Foreign Trade (DGFT) in the region where the registered office of the company is located. Exporter has to mention the number in all the shipping documents. However IEC number is not required where the goods are exported/imported for the personal use of importer and not for trade/ manufacture or agriculture purpose.

5. Obtaining Registration cum Membership Certificate (RCMC) from Export Promotion Council /Commodity Board

An Exporter is required to obtain RCMC from Export Promotion Councils/ Commodity Board/Development Authority in order to avail himself/herself of export incentives, concessions, and other facilities offered by Government e g. cash compensatory support and benefit of promotional scheme from Government.

6. Manufacturing /Procuring Goods and Packing items

Exporters steps into manufacturing and procuring of goods required by the importer. Where the materials required for manufacturing of goods are subject to excise duty. the exporter has to apply to Export Commissioner for exemption from excise duty if the goods are meant for export along with the invoice AR4/AR5 and other documents. The Excise Commissioner would issue excise clearance certificate if he is satisfied with the documentation made by exporter. If the exporter has already paid excise duty, he can get refund from the Directorate of Drawback functioning under the Ministry of Finance.

The exporter proceeds to collect the goods from the factory or purchase it from the market. These goods have to be packed as per the specifications given by the importer. Where such instructions are not specifically given by the importer, the goods can be packed keeping in mind the safety and freight charges in respect of the consignment. The goods packed are marked distinctly to facilitate easy identification of goods of specific importer. The markings reveal the name of the importer, port of destination and weight of consignment.

7. Export Inspection Certificate

After the goods have been packed as per the specifications of importer, the exporter has to apply to the Export Inspection Agency (EIA) or other designated agency in this connection The agency sends an inspector
