ICT CORNER

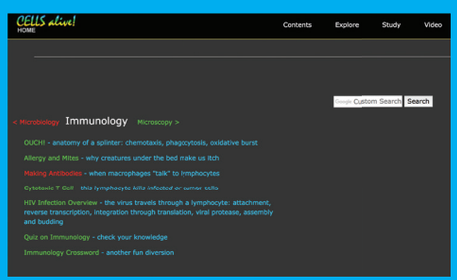

Immunology

How are we protected from microbes?

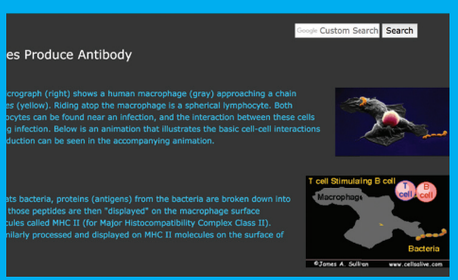

STEPS:

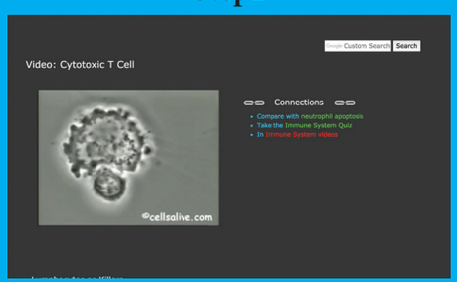

- Use the link or Scan the QR code given below. “Cells Alive-Immunology” will open. You can select any topic you wish. For example click “Making Antibodies”
- ‘Making Antibodies’ page will open. You can go through How ‘Lymphocytes Produce Antibody’, ‘Antigen Processing’, etc….
- From the top of the page click on ‘Video’ and select ‘watch’ view video topics. Select ‘Cytotoxic T Cells’.
- From the top select ‘Study’ and then ‘Quiz’ to answer the questions for the topic you choose.
