medical record documentation, such as transcription of physician's notes, laboratory and radiologic results. Medical coding jobs are assigned to Life Science, Paramedical and Medical Graduates and Post Graduates.

Editor in Scientific Journals – Editing, proof reading in scientific journals, handle manuscripts on topics ranging from Zoology, Biology, Plants and Animal sciences are few assignments that could be accomplished by microbiologists. Microbiologists review the research articles that are to be published in reputed National and International Journals. They are employed as Editors and Associate Editors of Scientific Publishing Companies.

Pharma companies – A microbiologist in a pharmaceutical company is a member of quality department. The role of the microbiologist is to ensure the quality of raw materials before they are processed in the production area, monitor the microbiological quality of environment and water and validate the test methods used in testing the finished products from microbiological perspective.

Eligibility Criteria for Undergraduate level courses in Microbiology

In order to apply for under graduate level courses in Microbiology, candidates should complete 12th class. It is important to opt Physics, Chemistry and Biology subjects in 12th class to join for Microbiology courses. Candidates need to score good percentage of marks in 12th class as the selection process for undergraduate level courses in this stream will be based on the marks scored. There are certain top universities which conduct selection through entrance examination. Candidates can choose any of the specialization streams in order to choose courses related to Microbiology

- Agricultural Microbiology
- Food microbiology
- Medical Microbiology
- Pharmaceutical Microbiology
- Microbial Genetics
- Environmental Microbiology
- Aero Microbiology
- Microbial Physiology

Different Courses in Microbiology

- Bachelor of Science in Microbiology
- Bachelor of Science in Microbiology and Microbial Technology
- Bachelor of Science in Clinical Microbiology
- Bachelor of Science in Medical Microbiology
- Bachelor of Science in Industrial Microbiology
- Bachelor of Arts in Microbiology
- Diploma Courses in Microbiology
- Post Graduate Diploma in Marine Microbiology
- M.Sc in Microbiology
- M.Sc in Applied Microbiology
- M.Sc in Microbial Genetics and Bioinformatics

Universities offering Courses in Microbiology

- Indian Institute of Technology
- Banaras Hindu University
