**Medical Record Science**

| Courses | Educational Qualification | Age limit |
|---|---|---|
| Diploma in Medical Record Technician (Six Months) | Pass in H.Sc. with physics, Chemistry, Botany & Zoology (or) Biology and Microbiology | Should complete 17 yrs Should not exceed 32 yrs |

## Job Prospects

Candidates who have studied courses related to Microbiology have good scope for jobs in different sectors. Candidates can take up jobs in private sectors mainly in pharmaceutical companies, research firms. Candidates can get in to roles like Medical Microbiologists, Agricultural Microbiologists, and Marine Microbiologists. Candidates can join for teaching jobs as well. Jobs are also available in public sector after doing under graduate or post graduate level courses in Microbiology. Job opportunities occur in government controlled development laboratories, chemical industries, hospitals, food industry, pharmaceutical companies. Apart from this, candidates can also try for jobs abroad. Candidates who attain good experience in this field will get higher salary packages in jobs.

## Career Prospects after completion of B.Sc Microbiology course

Candidates, who have completed their B.Sc Microbiology, can become microbiologists and there is wide range of employment opportunities available for microbiologists. They can find job placement in research laboratories and research organizations in public sector and private sector. They can also find job placement in pharmaceutical firms, chemical firms. Since there is many similarities between microbiology and biotechnology, the career options available for professionals in the field of biotechnology are applicable to the professionals in the field of microbiology as well.

## Central Government jobs after M.Sc Microbiology

Post Graduates of Microbiology can find plenty of job opportunities in the Central Government sector. Several vacancies are available for them in the research institutes run by Central Government. These graduates can apply for Scientist, Research Assistant, Technical Assistant, Field Assistant or Project Assistant posts in these institutes whenever vacancies are available. Institute of Liver and Biliary Sciences, New Delhi offers Microbiologist job for these graduates. They can apply for this post when the notification gets published in the newspaper or website. Staff Selection Commission conducts Combined Graduate Level Exam for recruiting graduates to various departments in the Government. Those who have completed M.Sc Microbiology can apply for this exam, if they are interested to work in the Government sector. There are many laboratories working under the supervision of Council of Scientific and Industrial Research (CSIR). M.Sc
