Chapter 6

(Responding to the World Around You)

Spare A Thought

H8NE14

Warm Up

a. Have you been to a science exhibition or a science fair?

b. What are the common themes of these exhibitions?

c. People are exploiting Nature and its resources in many ways. Think of a few and discuss with your partner. Look what lies under…

d. Do you recognise the environmental threat given below?

This kind of pollution is called ocean dumping. Discuss in groups and suggest what students and young peole can do to raise awareness and get society to take action to overcome this issue.
