Task: Which one is more appealing? Give five reasons

Task: a. Collect travel brochures and study the language, terms used and create your own brochure.

b. Make an itinerary/ travel planner

While travelling, we have heard many tourists feeling sad about missing their flights and worrying about places to stay. How can we overcome such issues? A travel planner or an itinerary comes in handy.

An itinerary is a detailed plan for a journey. It outlines the dates of travel from the home town to other towns or places. It lists the duration of stay in each place and the places to halt. It identifies the interesting places to visit in each place. It also covers aspects such as costs and modes of transport.
