Some tips to make an online application process easier and productive.

- Note down the user name and password when logging in for the application.
- Read through instructions and the application itself before you start.
- Make a note of data and statistics that need to be collected.
- Download, print out application and fill it, before you fill online.
- Remember to save often, while filling the online application.
- When you review the application in preview mode, check if the font is recognizable.
- Check the number of letters in each line, as some applications limit the number of characters allowed for each question.
- Take time to format and label when you upload attachments.
