away with jewellery worth 2 lakhs and sixteen thousand rupees in cash. The Police was contacted and finger prints were collected.

A passive construction is used.

- When the doer is obvious. e.g. The family of five was overpowered.
- When the action is more important than the doer. (e.g.) Fingerprints were collected.

The use of the passive

DO YOU KNOW?

April 23rd is observed as UN English Language Day every year, to celebrate multilingualism and cultural diversity. Incidentally, it's William Shakespeare's Birthday.

Your friends visited you and you made coffee for them. Below is the description of how you prepared coffee.

Firstly, enough milk was poured in a pan. Then an equal amount of water was added. The pan was placed on a stove and the milk was boiled. Next four spoons of sugar and four spoons of instant coffee powder were added to it and mixed thoroughly. Finally, it was poured into cups and served hot..

Task: Here are the instructions for cleaning a bicycle. Describe the process using the passive form.

1. Set the centre stand of the cycle.
2. Take a piece of wet cloth.
3. Start from the handlebars.
4. Wipe the seat and carrier.
5. Clean the spokes of the wheel and the cycle chain.

Begin with,

First of all, the centre stand of the bicycle is set. Then...
