It is a combination of words (a verb+a preposition or a verb+adverb) that when used together, usually take on a different meaning from that of the original verb.

The following illustration will help you to understand them better.

Task: Study the above illustration carefully and make phrasal verbs. Frame five sentences of your own using them.

Task: Complete the following sentences using appropriate phrasal verbs. Choose your answers from the options given below. You may have to change the form of the verbs wherever necessary.

stay away	break in
hold up	set aside
pick up	let off
make off	pull through
put up with	give in

1. The sports team is late because it is _____ in traffic.
2. As you don't know how to swim, I want you to _____ from the swimming pool.
3. You must _____ some money for emergencies.
4. The students who misbehaved in the class were _____ with a strong warning.
5. Sashi _____ some German during her tour of Germany.
6. Although the grandfather was very critical, his family hoped that he would _____
7. The burglars _____ with the stolen jewellery.
